IAEWP

On behalf of the Organizing Committee of the 18th IAEWP World Peace Congress and 1st International Martial Arts Festival, we would like to express our appreciation to you as our speaker at the recent stated Congress. We enjoyed your session and found it to be extremely informative while the attendance size and participation illustrated the importance of the topic to Peace Educators.

SUPPORTED BY
WHFSC

The Congress greatly appreciates your advice and suggestions on all the Peace advocacy work and intervention mechanism. At the same time, we appreciate your efforts to arrange a meeting with our Secretariat to draft the declaration for the Congress.

SUPPORTED BY
MARCIL

The delegates who attended were in complete agreement that this was indeed a worthwhile event and are looking forward to the next Congress. We feel they especially appreciate the relaxed environment we offer for these meetings which is conducive to both 'networking' and sharing of important ideas and information among their peers. It is our sincerest hope that you enjoyed yourself as much as our delegates.

EVENT ORGANIZER
PIKUM

It is indeed most encouraging to see many delegates getting so passionate about the peace mission and supportive of the IAEWP mission and congressional themes. Thus, we are most honoured to becoming part of the history where it has been said that this recent IAEWP World Peace Congress has been one of the best to date.

EVENT MANAGER

We are all very excited about the possibility of holding the next IAEWP Congress in Malaysia next year and we believe that with our experience and your mission, valuable contribution can be given to all peace educators around the world.

Nevertheless, we would like to apologize for any shortfalls during specifically, the three-day event and generally, your stay here in Malaysia. It was an experience for us and lessons learnt from this can only make us better the next time round.

Thank you again for taking time out of your busy schedule to share your expertise at our Congress. We fully recognize that we would not receive such positive feedback from congress participants without the excellent presentations and stimulating discussions provided by talented individuals, like you.

Once again thank you for your wonderful presentation and your efforts to make our event such a great success!

Sincerely,
